

Weather

The month of August is generally one of the most pleasant periods in Kashmir. The valley is lush green after intermittent monsoon showers, while temperatures remain comfortable for sightseeing, trekking, and outdoor activities.

Temperature

Location	Day Temperature	Night Temperature
Srinagar	26–30°C	15–19°C
Pahalgam	20–25°C	10–15°C
Gulmarg	18–23°C	8–13°C
Sonamarg	15–22°C	7–12°C

Rainfall

- August receives light to moderate rainfall and Expect occasional afternoon or evening showers, usually lasting from 30 minutes to a few hours.
- Rain is generally not continuous and rarely disrupts travel for long periods.

Sky Conditions

- Mornings are often clear to partly cloudy.
- Clouds tend to build up during the afternoon, sometimes leading to brief showers.
- Visibility is generally excellent after rainfall, offering spectacular mountain views.

What It Feels Like

- Pleasant, fresh, and green.
- Cool mornings and evenings.
- Comfortable daytime temperatures with moderate humidity.
- Ideal for shikara rides, meadow visits, photography, and trekking.

Travel Tips

- Carry a light rain jacket or compact umbrella.
- Bring a light fleece/sweater for evenings, especially in Gulmarg and Pahalgam.
- Start long mountain drives early in the day before afternoon cloud build-up.
